Here is the final version of my changes, both in track changes and clean.

I noticed I could not open the last copy I sent you without track changes. So hopefully this works.

Heather,

I have sent both.

Please note that we need to change the title of figures 4-12 and 4-13 in the list of figures at beginning of report.

My edits are final.

Please send me the final Word version of the Report when completed. The date of report shall be today – July 29, 2016

Thank you.

I can do either. I can send copy with my track changes this morning or I can accept the changes and send clean. What would you prefer?
